

# **GEOMETRIC TRANSFORMATIONS**

**Translation, rotation, central  
symmetry, axial symmetry**

This presentation has got several links that will help you to understand the procedures you will have to explain to your classmates. Most of the videos are in Spanish, as I couldn't find appropriate ones in English.

## **INDEX**

**Introductory video**

**Translation**

**Rotation**

**Central Symmetry**

**Axial Symmetry**

# INTRODUCTORY VIDEO

**Reflection**

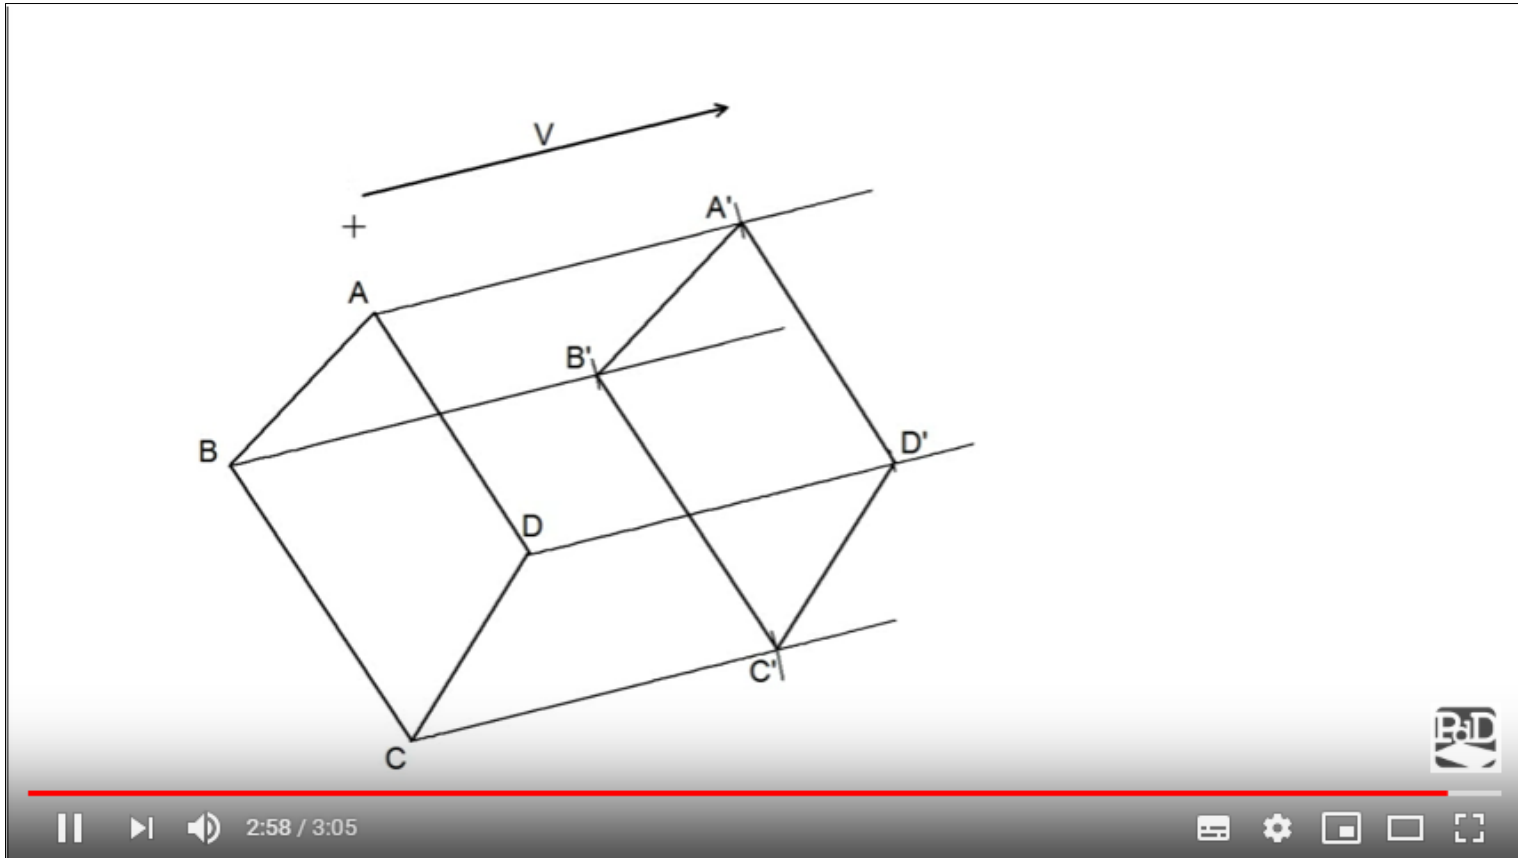

**Rotation**

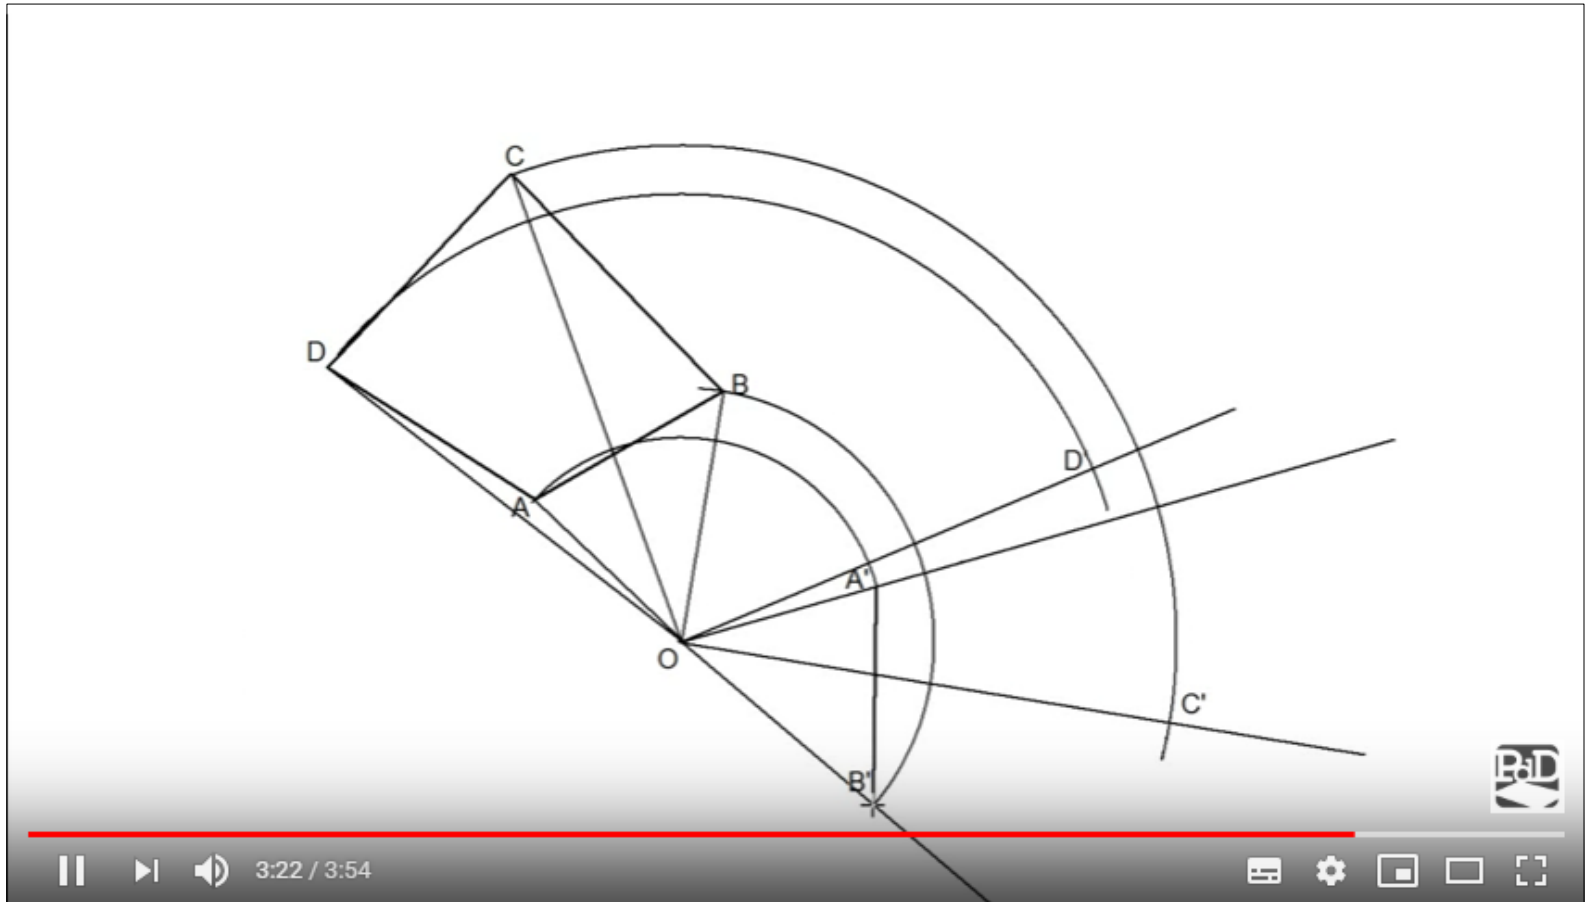

**Translation**

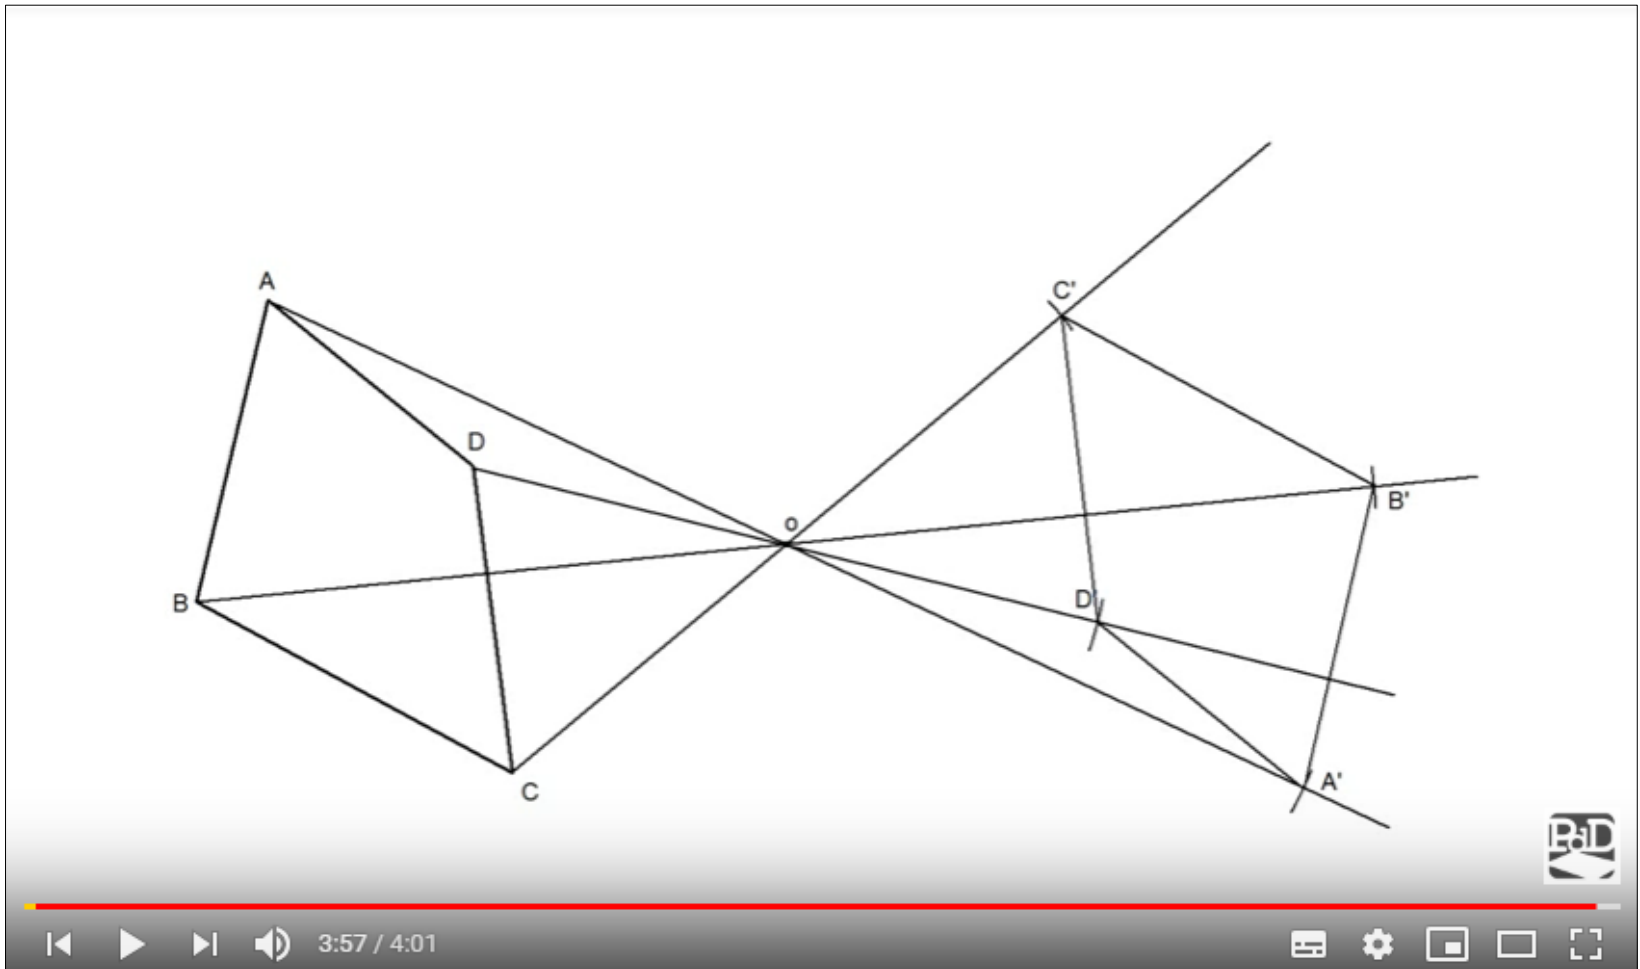

# TRANSLATION

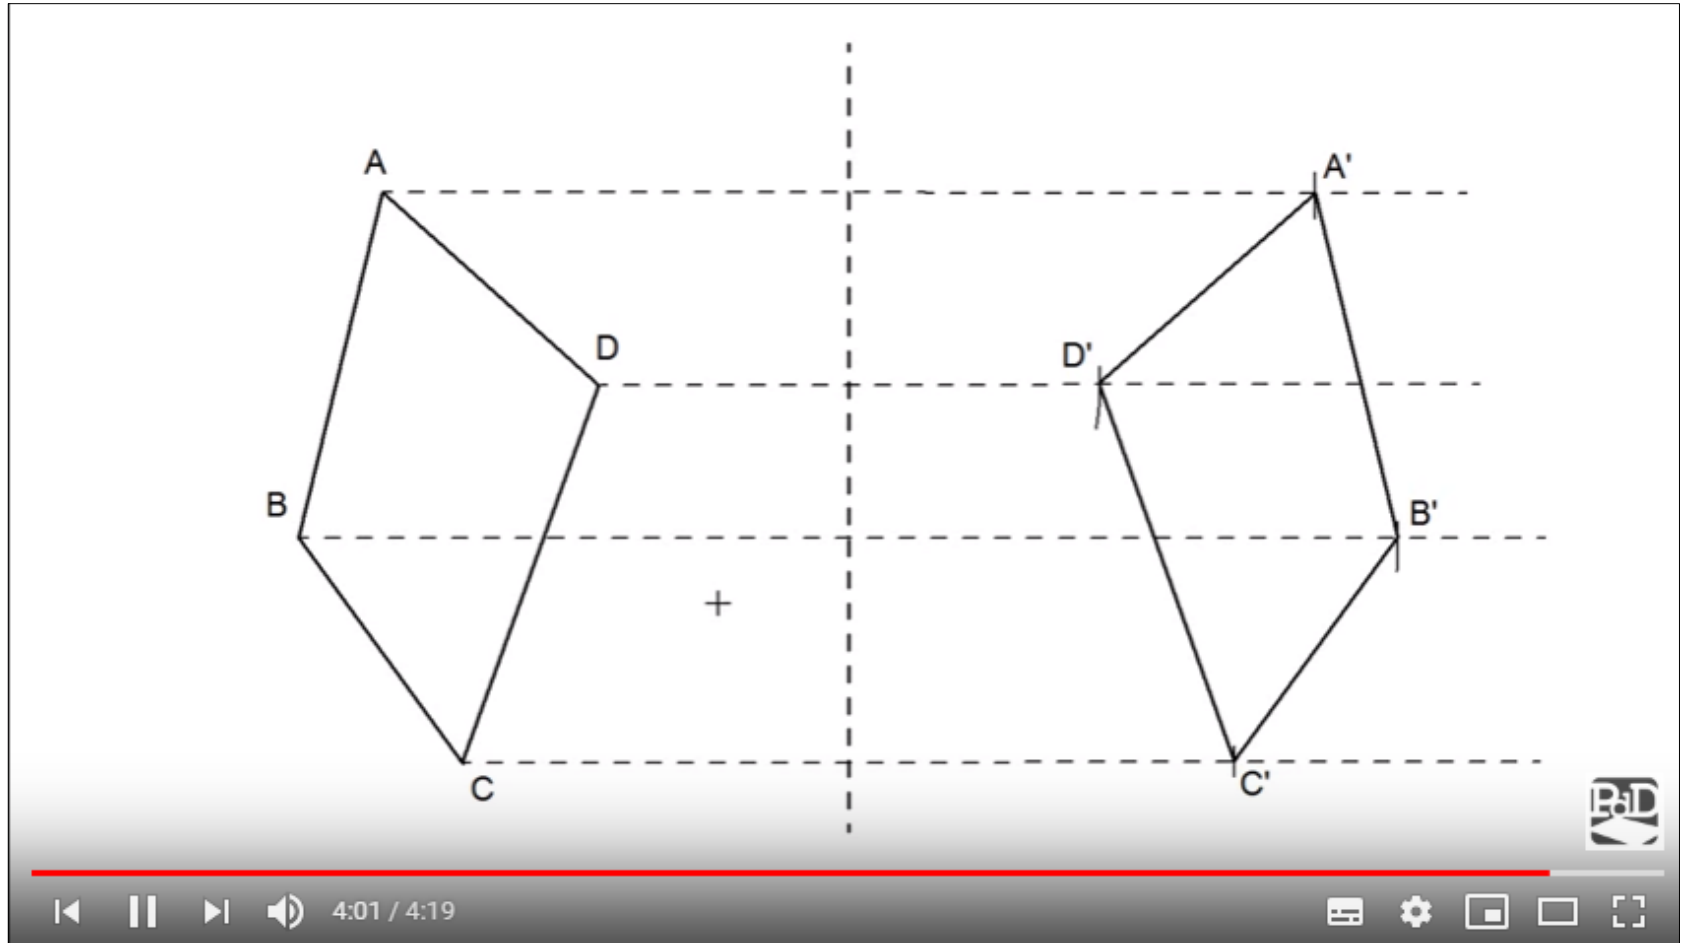

# ROTATION

# CENTRAL SYMMETRY

# AXIAL SYMMETRY
