Hi. I'm Felix. I'm in the country today. I'm with my mum and my sister. My dad and brother are at home. I've got a camera and a map. I've also got binoculars, but haven't got a rucksack. My mum has got that. It's got our lunch inside!

I can see insects. I can't see a beetle, but I can see a grasshopper. I can also see a butterfly on a flower. I like ants. They're clever! But they're not my favourite insects. My favourite insects are bees. Why? Because I like honey. Do you?
