4 Read. Complete the table.

My mum is a nurse. She works in a hospital. It's near our house and she walks to work. Mum usually wears trousers and a T-shirt, but at work she always wears a blue dress and white shoes. It's her uniform. She usually works from Monday to Friday, but sometimes she works at weekends. She likes her job.

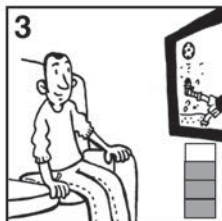

This is my sister, Maya. She's a cleaner. She works at our school. There are five hundred children at the school, and she has a lot of work! She works from Monday to Friday in the afternoons. She doesn't work at weekends. She's got a car and she usually drives to work. She doesn't like her uniform. It's a pink dress. But she likes her job.
