7	 <p>The screenshot shows a lesson page with a sidebar menu on the left containing: 2 Vocabulary, 3 Grammar: To have and have got, 4 Skills corner, 5 Revise and test yourself, End of unit, and Concept map. The main content area includes a text box about school, a 'Pay attention' section with an animation 'At school', and a 'Practise' section with an activity 'Did you understand the animation "At school"?'. Below this is a '1.1 Practise and learn' section.</p>																																														
	<p style="text-align: center;">Escucha el diálogo</p> <p style="text-align: center;">Dialogue 1</p> <p>Sally: "Zac, what's wrong? You look worried."          Zac: "I can't remember if we have Maths today".</p>																																														

Sally: "Don't worry, Zac. We have Maths on Monday, Wednesday and Friday at half past ten. We always have Maths at half past ten."  
 Zac: "Thanks, Sally. And English?"  
 Sally: "Well, we have English every afternoon from two o'clock until a quarter past three."  
 Zac: "Thanks, Sally. You're great!"  
 Sally: "No problem. Do you know what class is next?"  
 Zac: "I think it's PE"  
 Sally: "Yes, that's right."  
 Tom: "Have you got your trainers, Zac?"  
 Zac: "No, I haven't. I've got my Geography book, erm, a calculator, my pencil case, my Science homework and, erm..."  
 Sally: "They're not going to help you."  
 Zac: "I guess not. No."  
 Tom: "Look! Here comes Scruff!"  
 Sally: "What's he carrying?"  
 Zac: "My trainers! Scruff! You're a good dog!"

Scruff: "wuff wuff wuff wuff"

8

**ACTIVITY 1:** Watch and listen to the animation again and write in your notebook the most important phrases you can use at school with your friends.

**ACTIVITY 2:** Look at the picture and write as many objects as you can remember in your notebook.

Do you remember the names of the things you need for school?

11

**ACTIVITY 4:** Let's practise your spelling and writing! Look at the following chart and based on it make your own school timetable on a sheet of paper. Then hang it in your room to help you remember. **Haz un horario de clase similar a este**

School timetable					
DAY OF THE WEEK / TIME	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
7:00	Maths	Science	Literature	History	Geography
8:00	Literature	Music	Art	Religious studies	Science
9:00	Dance	Maths	Physics	History	Religious studies
10:00	English	French	Maths	Chemistry	Music

1 Communication: Studying at school

2 Vocabulary: School subjects

Apart from making friends and interacting with society and the world, the objective of going to school is to learn. Depending on the year you are in, you study different subjects: Maths, Science, Art, etc.

In the following chart, you can find some pictures representing the most important school subjects. Match them with their names in English.

School subjects			
1. Modern foreign language	4. History	7. Art	10. Science
2. ICT	5. Maths	8. Religious studies	11. Music
3. PE (Physical Education)	6. Geography	9. History of art	12. Technology
